

“Lovelace Medical Center is proud to be at the center of a legacy of excellent health care in this community. As part of that legacy, we continue to offer unparalleled service, such as our stroke and Gamma Knife programs. We are also proud to offer the Downtown area’s shortest ER wait times, because we know that every second matters when your health is on the line. We are grateful for the opportunity to continue to serve our city’s health care needs.”

Troy Greer, CEO
Lovelace Medical Center

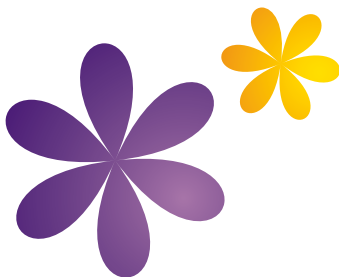

Overview

Lovelace Medical Center is a patient-centered hospital featuring state-of-the-art equipment and a round-the-clock emergency department that includes a dedicated area for treating our senior patients. We offer high-quality, high-tech medicine in a facility that has become a symbol of health and wellness in the heart of the city we serve. Nowhere else in the state will you find technology like our Gamma Knife Center, capable of treating complex, often inoperable, conditions of the brain.
