

“Our community is one built on compassion and hard work. We are proud to reflect the spirit of Roswell in all that we do, from our emergency department to our birthing center and everything in between. We believe that building relationships with our community, providers and patients is the key to improving wellness. That is why we are proud to invest in exceptional services and look forward to growing with Southeast New Mexico.”

Dawn Tschabrun, CEO
Lovelace Regional Hospital

FACTS ABOUT LOVELACE HEALTH SYSTEM

- A network of acute care hospitals serving patients throughout Albuquerque, Rio Rancho and southeastern New Mexico
- 11 Pharmacies
- With more than 75 providers, Lovelace Medical Group/Southwest Medical Associates is providing quality primary and specialty care services to the greater Albuquerque area, Rio Rancho and southeastern New Mexico
- We accept most major insurance plans, including Blue Cross and Blue Shield of New Mexico, Molina, TRICARE, Medicare, Medicaid, UnitedHealthcare Community Plan and United Retiree Health Care Authority

Lovelace Regional Hospital is committed to offering Roswell and Chaves County residents the highest quality patient care. Our hospital, its physicians, providers and staff share a vision to improve medical care in southeast New Mexico. Lovelace Regional Hospital is poised to grow with you and your family, and we look forward to enhancing and expanding our services throughout our region.

With a full range of medical and surgical services, you're going to love Lovelace Regional Hospital.

Additionally, Lovelace Health Care Center offers a broad spectrum of non-emergent and primary care services. From rashes and sinus infections to family medicine and sprains, our clinic is dedicated to serving the community's health care needs.

Overview

- Number of employees: 209
- Licensed beds: 26
- Inpatient admissions in 2013: 2,117
- Outpatient visits in 2013: 27,793
- Emergency Department visits in 2013: 10,506
- Births in 2013: 897
- Surgical cases in 2013: 3,572
- Clinic visits in 2013: 3,225

Fully accredited by the Centers for Medicare & Medicaid Services.

We have more than doubled the capacity of our emergency department to meet the needs of our patients and to shorten wait times. Additionally, we recently opened a cardiac catheterization lab that will allow providers to treat a variety of cardiovascular and vascular emergencies with minimally invasive surgical procedures. This expansion reflects our commitment to increase services as well as access to outstanding care for our growing community.
