

# ARDENT CITRIX ENVIRONMENT

PHONE - ANDROID CONFIGURATION

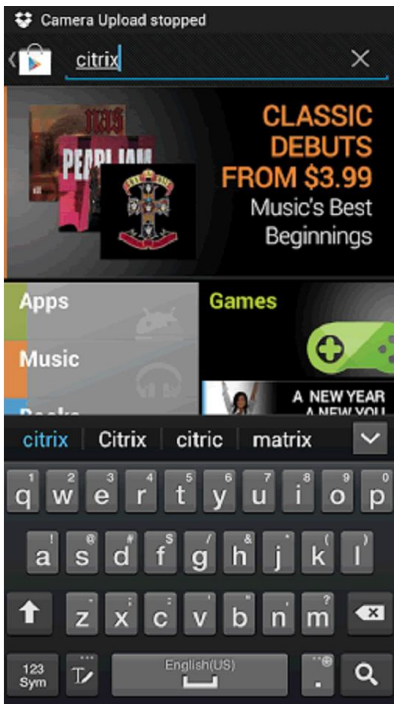

HOME TABLETS ▼ SMART PHONES ▼ DESKTOPS ▼

## ANDROID

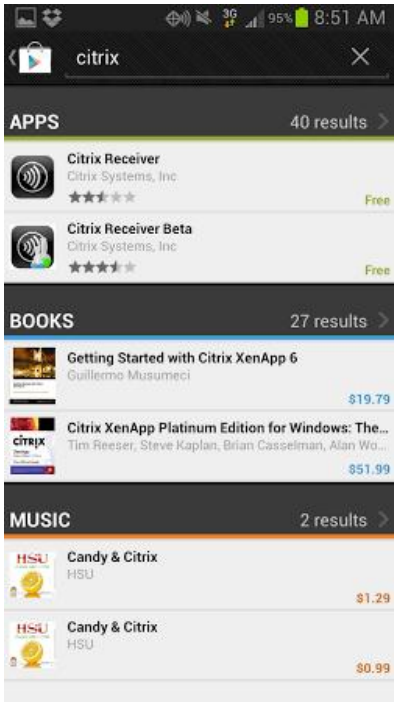

Begin by opening "Google Play"

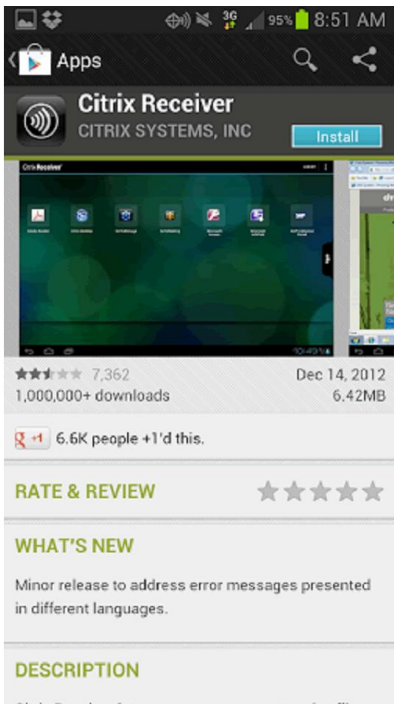

Search for "Citrix"

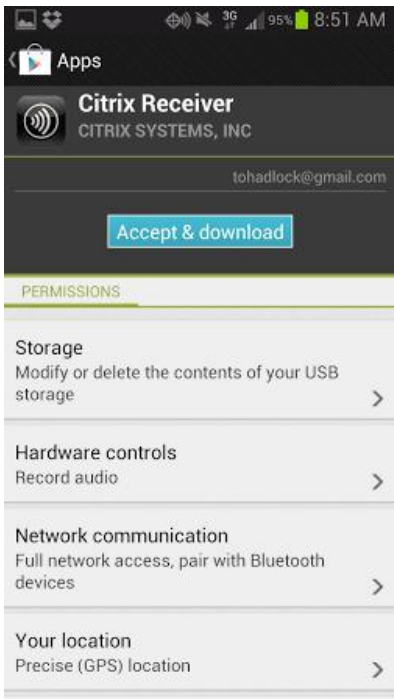

Select "Citrix Receiver" from the results

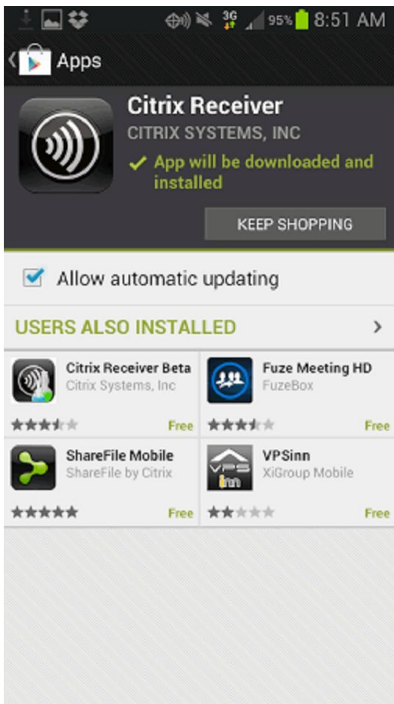

Select the "Install" button to continue

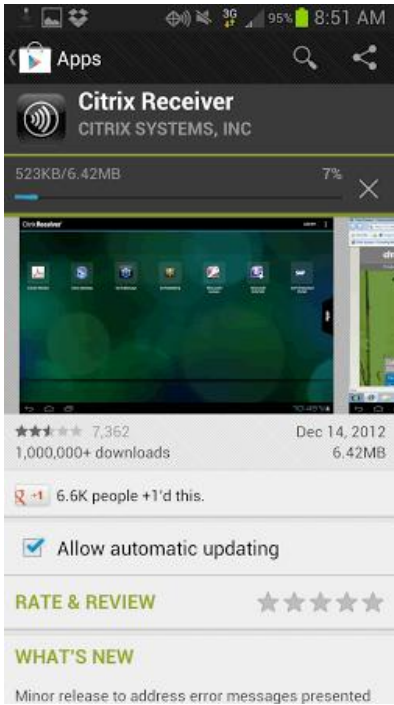

Select the "Accept & download" button to begin the installation

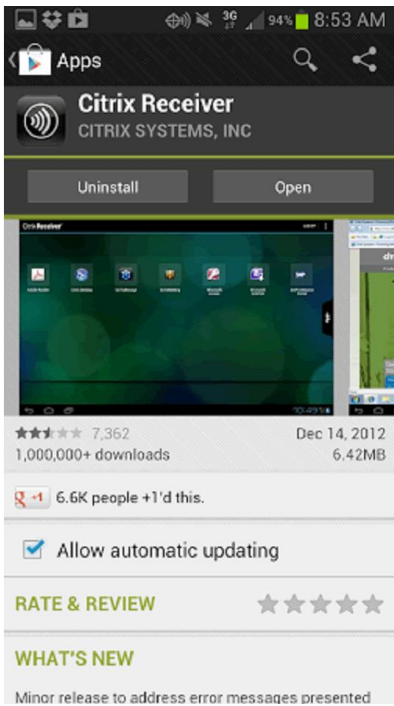

Select the "Keep Shopping" button to continue

The "Citrix Receiver" application installation begins...

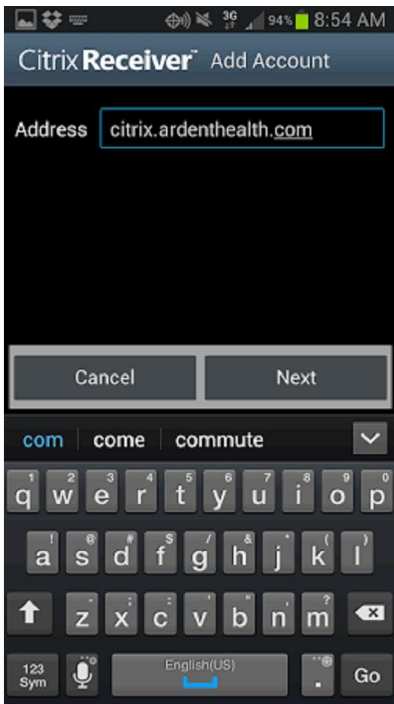

Select "Open" to begin the configuration.

In the "Address" field enter "citrix.ardenthealth.com"

Select "Next" to continue

Some of the fields will be automatically completed.

---

**Address:** This should be automatically populated and left as outlined below.

---

**Description:** Change this to your liking

---

**Username:** This should be your Corporate username (email)

---

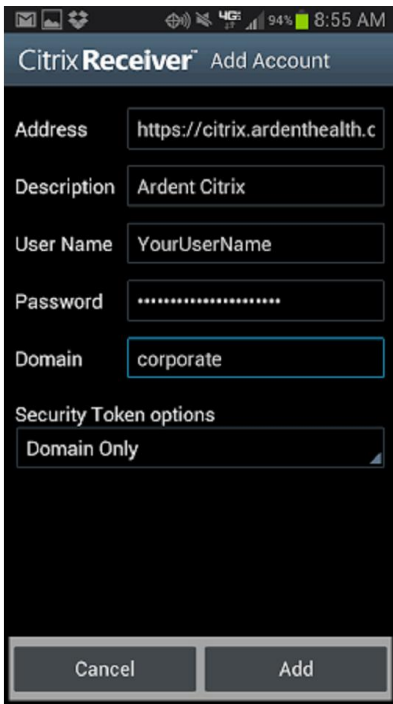

**Password:** This is your Corporate password

---

**Domain:** Please enter "Corporate" for this value

All other fields should remain at their default settings

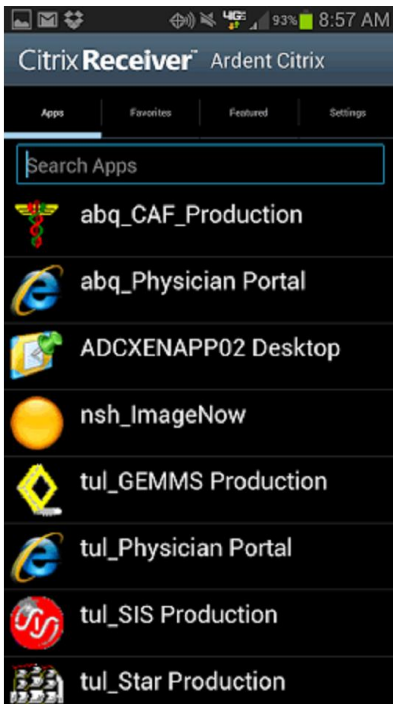

Select "Add" to login to the Citrix environment

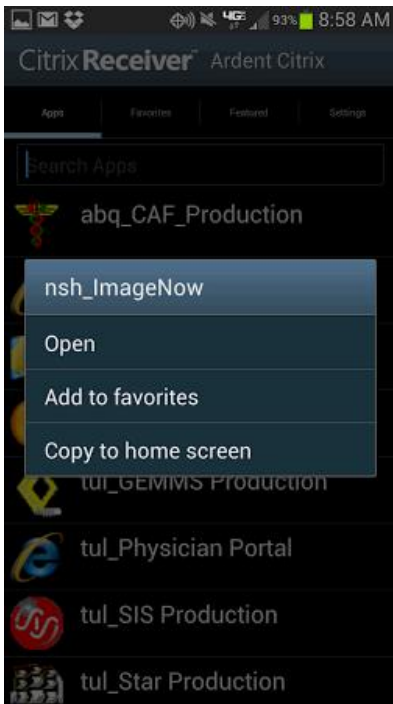

The list of applications your account is approved to utilize are displayed.

To add applications to your "favorites" section select an application and hold until prompted.

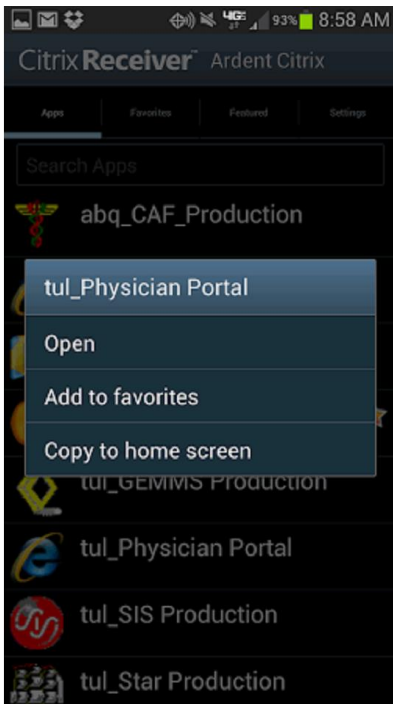

Select "Add to favorites" or "Copy to home screen" as you like

Add as many applications to your "favorites" or home as you like.

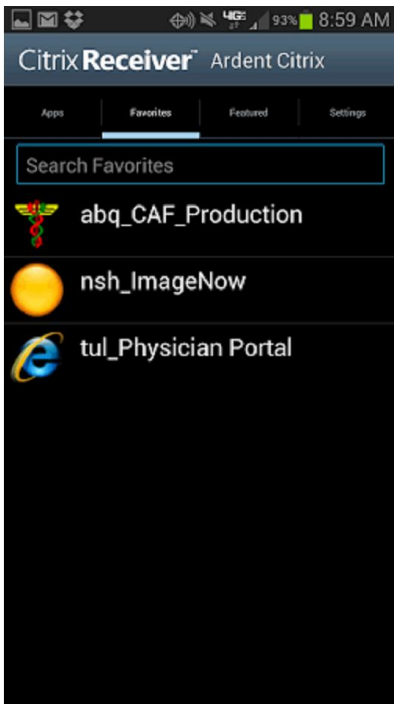

The applications added to your favorites will be highlighted with a star as shown below.

Select "Favorites" tab to view the applications you added as favorites.

Due to security restrictions access to local device accessories are not permitted (hard drives, printers, etc...)
