

“Roswell was built on compassion and hard work, and we reflect that spirit in all that we do. In our emergency department, we work hard to ensure our patients see a provider in about 30 minutes or less. Our birthing center ensures Roswell’s newest residents have the care they need from day one. We look forward to providing quality health care for the residents of Roswell and our neighbors in southeastern New Mexico.”

Heather Harper, CEO
Lovelace Regional Hospital

Lovelace Regional Hospital is committed to offering Roswell and Chaves County residents the highest quality patient care. Our hospital, its physicians, providers and staff share a vision to improve medical care in southeast New Mexico. Lovelace Regional Hospital is poised to grow with you and your family, and we look forward to enhancing and expanding our services throughout our region.
