

“At Lovelace Regional Hospital, we are committed to compassionate care for our patients; from welcoming newborns into our community, to providing advanced cardiac care, to getting our patients back to health with physical therapy and a rehabilitation program. For these reasons, patients all over southeastern New Mexico choose Lovelace. It is our privilege to provide quality health care for the residents of Roswell and our community.”

Nicholas Shirilla,
Chief Executive Officer

Lovelace Regional Hospital (LRH) is a 27-bed acute care hospital providing 24/7 emergency services, intensive care, inpatient and outpatient rehabilitation, surgical services and birthing services for the residents of Roswell and surrounding communities.

The hospital, its providers and staff share a vision to improve medical care in southeast New Mexico.

LRH earned an 'A' Grade from Leapfrog Hospital Safety Grade for Spring 2024, its seventh 'A' in a row, making it the only hospital in Southeast New Mexico to earn this recognition.

LRH also earned national recognition from the 2025 Women's Choice Awards, as one of America's Best Hospitals for Comprehensive Breast Care and Obstetrics.

Money and the Leapfrog Group named LRH to their list for 2022 Best Hospitals and Surgery Centers for Billing Ethics, showing its dedication to delivering the highest quality of care for patients, while ensuring adherence to the maximum ethical standards for billing.
