

"Heart Hospital of New Mexico at Lovelace Medical Center is leading the state of New Mexico, and the world, in state-of-the-art treatment for heart and vascular care. We were named a Top Teaching Hospital by Leapfrog Hospital Safety Group due to our highly-trained and experienced doctors, nurses, technicians and staff. We are proud to deliver the most advanced tools and procedures for the heart, right here in New Mexico. Our patients trust us to help them through some of the most critical moments of their lives, and we are proud to be a partner in their care."

Denzil Ross
Administrator
Heart Hospital of New Mexico
